Orkila enters East Africa

Orkila's expansion takes another step forward today with the opening of

ORKILA EAST AFRICA LTD.

Orkila, the leading chemical distributor in the Middle East and Africa, has established a new affiliate, **ORKILA EAST AFRICA LTD.** Located in Nairobi, the industrial heart of Kenya, the company will be responsible for developing Orkila's interests throughout the region covering, in addition to Kenya; the markets of Uganda, Tanzania, Burundi and Rwanda.

Orkila supplies multiple industrial sectors through a network of affiliates based in the key markets of the region, including Morocco, Algeria, Tunisia, Egypt, South Africa, Nigeria, Ivory Coast, Senegal, Lebanon, Syria, U.A.E., Jordan, Cyprus, Iran & Pakistan.

With the creation of **ORKILA EAST AFRICA LTD.**, Orkila reinforces its established position as the leading chemical distributor in the Middle East and Africa capable of providing products and services appropriate to the needs of its customers and the local markets, both now and in the future.

We would like to take this opportunity to thank all our business partners, together with those working for Orkila affiliates throughout the region, for their continued support; and to invite anyone connected with the chemical industry to visit our web site at www.orkila.co.ke
